Chase Vans Ltd is a small, family run business. All our vehicles come with an MOT and are serviced (where required) before collection. Finance is available through a number of providers at competitive rates. We offer a 3 month or 3000 miles warranty, however you can purchase an extended warranty to give you extra peace of mind with a variety of packages available. We do not sell you a van you choose to buy it, we believe you can make your own choice, which means when you visit our show area you will find a relaxed approach to sales. You are welcome to walk freely around our stock and if you have any questions our staff are always more than happy to answer them. Our staff has over 70 years of experience between them in the motor
